Petition regarding reforming the use of NDAs in BC

To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned, residents of the Province of British Columbia, states that:

Whereas Non-Disclosure Agreements (NDAs) were originally designed to protect trade secrets and intellectual property;

Whereas NDAs have become tools to silence survivors of sexual harassment, racism, ableism, and other forms of workplace discrimination and harassment;

Whereas this misuse causes irreparable harm on British Columbians who have experienced serious misconduct in the workplace;

Whereas victims are made to feel like they have no choice but to exchange their silence for compensation or a settlement;

We, the undersigned, respectfully request that the Honourable House protect survivors of sexual harassment and discrimination in BC by passing Bill M215, *Non-Disclosure Agreements Act*.

Dated 20 day of April, 2023.
